Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Notice for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO maintains a system of records of 18 months from the date of publication of an application under 35 USC 122. The purpose of this system is to provide a means for the public to determine whether an invention has been patented or is in the process of being patented. This application will be published in the Official Gazette of the United States Patent and Trademark Office (USPTO) within 18 months from the date of filing. The USPTO will also maintain a record of the date of publication of this application. The USPTO will also maintain a record of the date of publication of this application. The USPTO will also maintain a record of the date of publication of this application.
